Education and Public Health Department, MADRAS.

Sir,

Sub:-Medical Institutions - Government Wellesley Sanatorium, Bellary - Purchase of a bull - Sanction - Requested.

***

I have the honour to state that there is only one water tap in the Wellesley Sanatorium, Bellary, and the supply in this tap is only for one hour a day or even less. The Municipal Commissioner, Bellary states that it is not possible to improve the supply in the tap. The Executive Engineer, Bellary was requested to provide more taps, or an alternate scheme for supply of more water. The Executive Engineer has suggested an alternate scheme, but the same will not fructify within one year.

There is at present one bullock cart for the supply of water to the Sanatorium and as this single cart is found not...

not sufficient to meet the demand for water in full, the District Medical Officer has executed repairs to a bullock cart which was handed over by the Jail Department to this Department, and has also purchased a new bull in consultation with the District Veterinary Officer. The repairs to the cart came to Rs.150/- which was the lowest quotation obtained by the District Medical Officer and the bull was purchased at a cost of Rs.295/-.

I recommend that the Government may be pleased to ratify the action of the District Medical Officer for having purchased the bull at a cost of Rs.295/-.

Your obedient servant,

P. Narayanaswamy

for Surgeon-General with the Government of Madras.
